

MEDIN Open Meeting 3rd March 2022

How technology can support the marine community to deliver FAIR data.

09:00-15:00

To register: <https://www.eventbrite.co.uk/e/medin-open-meeting-march-2022-tickets-260969134707>

9:00 *Chairs welcome + logistics*

9:10 *Lucy Scott, Ocean InfoHub – “Developing technology to deliver FAIR marine data”*

9:30 *Networking*

9:50 -- Comfort break --

10:00-10:15 *Dr Clare Postlethwaite, MEDIN Co-ordinator – “Introduction to the Marine Environmental Data and Information Network”*

10:15-10:30 *Dan Lear, DASSH – “Life's not FAIR, but data can be! How the DAC network are rising to the challenge”*

10:30-10:45 *Dr Louise Darroch, BODC – “Mitigating global coastal ocean risks using Internet of Things”*

10:45-11:00 -- **Coffee break** --

11:00-11:15 *Helen Lillis, JNCC “How following the FAIR principles has allowed EMODnet Seabed Habitats to aggregate and combine disparate data into new products for the benefit of many”*

11:15-11:30 *Chelsea Bradbury, The Crown Estate - “FAIR industry data”*

11:30-12:00 *MEDIN Data Archive Centre (DAC) Poster introductions*

Centre for Environment, Fisheries and Aquaculture Science (Caitlin Lee)

British Oceanographic Data Centre (Robyn Owen)

The Archive for Marine Species and Habitats Data, DASSH (Summer Grundy)

United Kingdom Hydrographic Office

British Oceanographic Data Centre (Alexandra Kokkinaki)

The Archive for Marine Species and Habitats Data, DASSH (Kevin Paxman)

12:00-13:00 -- Lunch--

13:00- 13:30 *DAC poster presentations* break out rooms

13:30-14:45 *Discussion session “What support the marine data community needs in order to achieve FAIR data”*

14:45-15:00 Concluding comments of the Open Meeting.

Meeting end: 15:00
